BENEFITS OF THE BLOCKERAS NETWORK

SAVING FIAT MONEY FOR INDIVIDUALS

Individuals will be able to spend the BLK tokens purchased in advance at the value of 1 euro at all the active shops in the network. The private individual can buy the BLK Token today, in advance, at the starting price of 0.20 euros.
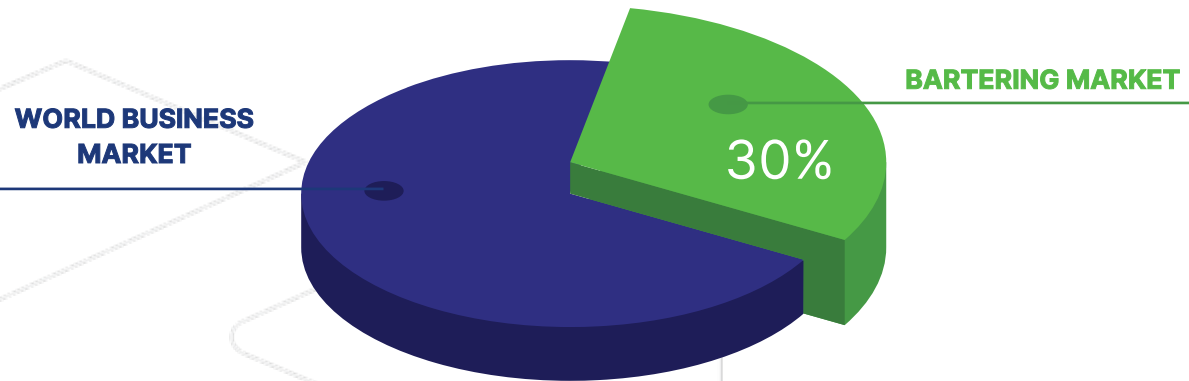

INCREASE IN TURNOVER
FOR COMPANIES & PROFESSIONALS

The shops increase their turnover, receive a non-repayable BLK Token until the end of the presale that can be spent on business and personal needs. The private individual buys the token in advance and therefore can save on future purchases of goods and services.
